## LEAF ORIGINALS FOOTBALL

Leaf is pleased to bring one of its newest, most loved brands to the football market: 2014 Leaf Originals Football.

This release features two of Leaf's most classic designs: 1948 Leaf and 1960 Leaf. Utilizing these two legendary designs, Leaf brings the draft's most exciting prospects together in a throwback-style release that's different from virtually any other draft product on the market.

### LOOK FOR:

**1948 Originals Autographs:** This classic design not only features a throwback look at some of today's hottest young draft picks, but features all ON-CARD autographs. Parallels in multiple colors as limited as 1/1!

**1948 Originals Alternate-Art Autographs:** This insert set features the same 1948 design, but with more limited alternate artwork. This should give collectors at all levels a very complete and challenging autograph set to conquer. Parallels in multiple colors as limited as 1/1!

**1960 Originals Autographs:** This classic design not only features a throwback look at some of today's hottest young draft picks, but features all ON-CARD autographs. Parallels in multiple colors as limited as 1/1!

### Leaf Hot Rookie Redemption:

As you may remember last year's Metal and Valiant sets featured the same type of HOT ROOKIE REDEMPTION, which turned out to be the first ever Johnny Manziel autographed card! Who knows what this year's redemption will be good for? The possibilities are only limited by your imagination.
